1. Something to live for

I got permission from my kids to add some photographs of them to my homepage.
Permission to copy these pictures is reserved to the copyright holder.

So here they are together.

picture of my kids

This is daniel. Recently daniel created his first [web site](#), with help from his mom.

picture of Daniel

Introducing Lego-Man Michael-Alan. The subject matter for his [web site](#) was no surprise. His mom also provided assistance.

This is Michelle. She has her own [homepage](#)

picture of Michelle

Michelle wrote most of the text, including links for her site. She had help with the more complicated stuff like frames etc.
